The NEW **valueline** from
MAN Genuine Parts.

The 'valueline' range is a selection of MAN's popular, fast-moving part numbers which are now being offered at a significantly reduced price.

The parts that make up the 'valueline' range are the exact same original parts that go into the construction of our MAN trucks. There's no compromise on quality, reliability or performance. Only genuine replacement parts from MAN give you more quality, more reliability and more value. And now, with the new MAN 'valueline' range, you get all this for less.

The **value**line range currently consists of 60 fast-moving part numbers which are now being offered at a significantly reduced price. The parts listed on the following pages are just a selection from this range, so contact your local dealer today for full details.

MAN Genuine Parts – a better way of taking care of customers

Quality is irreplaceable

No one knows MAN vehicles like MAN themselves. Using precision-made MAN parts means your vehicle will perform better and last longer. If you want your truck to go the distance, give it the parts it deserves – MAN Genuine Parts.

Don't assume all replacement parts are equal. All genuine new and reconditioned MAN parts come with a comprehensive warranty throughout the UK. You also have the confidence that all parts sold are 100% MAN approved, guaranteed for economy, performance and reliability. You can now have all of this for less when you buy from our new 'valueline' range.

Just in time parts

For MAN owners, we are the best source for authorised parts. Over 45,000 separate lines are available from stock at your dealership or delivered next day from our central UK warehouse. With 300 MAN Parts Vans on the road, many dealers open 24 hours a day, 7 days a week, it is a service you can believe in. So whether it's electrics, engine parts, body parts, exhaust systems, consumables, accessories or official MAN clothing you require, there's really only one sensible choice – and that's your MAN dealer.

Whenever you need it, help is at hand

Each dealer is also backed by the MAN Mobile24 roadside emergency service, these locations provide comprehensive service and support for all your MAN trucks, coaches and buses, as well as ERF trucks. We provide professional and prompt responses to your needs – wherever you are in the UK, **WE ARE MAN.**
